**COUNTY COUNCIL  
FOR MONTGOMERY COUNTY, MARYLAND**

---

Lead Sponsor: County Council

---

**SUBJECT:** Amendment to the FY17-22 Capital Improvements Program #5-A18-MCG-3  
Montgomery County Government  
Department of Recreation  
Cost Sharing: MCG (No. 720601)

**Background**

1. Section 302 of the Montgomery County Charter provides that the Council may amend an approved capital improvements program at any time by an affirmative vote of no fewer than six members of the Council.
2. The County Executive recommends this amendment to the FY17-22 Capital Improvements Program as shown on the attached project description form.
3. The County Council, in Resolution 18-778, approved \$225,000 for security improvements for three faith-based organizations experiencing incidents of hate crimes. The Resolution also authorized another \$225,000 in existing appropriation to provide security improvements to benefit additional faith communities and directed the Executive Branch to receive and evaluate proposals.
4. The Executive Branch developed the “Faith-based Facilities Security Improvement Grants” program, created an online application process and conducted outreach to faith communities across the County.
5. The County Executive recommends an amendment to the FY17-22 Capital Improvements Program for Cost Sharing: MCG (No. 720601) to designate a total of \$300,365 to 32 individual faith-based organizations in FY18.
6. No further appropriation is needed as the additional funding above \$225,000 is currently appropriated in the Cost Sharing: MCG project.
7. The Chief Administrative Officer has determined that funding for the contracts with these entities serves a public purpose and that such an expense would be in the public interest.
